## REPORT

The Electoral Boundaries Commission for Nova Scotia, established in accordance with Section 3 of the *Electoral Boundaries Readjustment Act*, 13 Elizabeth II, chapter 31, Statutes of Canada 1964, respectfully submits its report pursuant to Sections 12, 13 and 18 of the said Act.

The members of the Commission appointed in accordance with the provisions of Sections 5, 6 and 7 of the said Act are:

Chairman	Mr. Justice V. J. Pottier, Justice of the Supreme Court of Nova Scotia, Halifax, Nova Scotia.
Deputy Chairman	Mr. A. D. Muggah, Prothonotary, Sydney, Nova Scotia.
Commissioner	Mr. H. F. Grant, Q.C., Chief Electoral Officer for the Province of Nova Scotia, Halifax, Nova Scotia.
Commissioner	Mr. Nelson Castonguay, Representation Commissioner, Ottawa, Ontario.

The Commission held its first meeting at Halifax, Nova Scotia, on January 22nd, 1965. At this meeting the Commission appointed Mr. Donald D. Anderson, of Halifax, Nova Scotia, as its Secretary.

The Representation Commissioner, in accordance with Section 12 of the said Act, calculated eleven (11) members of the House of Commons to be assigned to Nova Scotia, as per statement dated November 24th, 1964, published in the *Canada Gazette* dated Ottawa, Saturday, November 28th, 1964.

The Representation Commissioner, in pursuance of Section 11 of the said Act, sent to the Chairman of the Commission a copy of the return certified by the Dominion Statistician showing the population of Canada and of each of the provinces, and the population of Canada by electoral districts as ascertained by the census taken in the year 1961, which said copy of the return was received by the Chairman of the Commission on January 23rd, 1965.

The Commission, in pursuance of Section 13 (a) of the said Act, calculated the electoral quota for the Province of Nova Scotia to be 67,001.

In compliance with Section 8 of the *Representation Commissioner Act*, 12 Elizabeth II, chapter 40, Statutes of Canada 1963, the Representation Commissioner supplied to the Commission maps with alternative proposals respecting the boundaries of the electoral districts in Nova Scotia. These proposals were carefully considered by the Commission. Although found to be helpful, they were not adopted.

The Commission then prepared numerous maps dividing the province into various electoral districts, trying to find one map which basically was in accordance with Section 13 of the *Electoral Boundaries Readjustment Act*. The Commission adopted a map with the descriptions of boundaries as published in the *Canada Gazette* on May 22nd, 1965, and in all the daily newspapers published in Nova Scotia on May 22nd, 1965.

In accordance with Section 17 of the *Electoral Boundaries Readjustment Act*, the advertisement published in the said issue of the *Canada Gazette* and in the daily newspapers published in Nova Scotia gave notice of the time and place for the hearing of representations from interested persons. The advertisement also stipulated that notices in writing of the representations must be given to the Secretary to the Commission within twenty-three (23) days from the date of publication as required by subsection (4) of the said Section 17.

The Commission heard eleven (11) representations at its sittings. The times and places of the sittings of the Commission were as follows:
