REPORT

The Electoral Boundaries Commission for Quebec submits this report:

The members are:

The Honourable Mr. Justice Paul Langlois, Montreal, Chairman;
Mr. C. L. Ogden Glass, Principal and Vice-Chancellor of Bishop's
University, Lennoxville;

Mr. François Drouin, lawyer, Chief Returning-Officer for the
Province of Quebec, Quebec;

Mr. Nelson Castonguay, Representation Commissioner, Ottawa.

Mr. Yves Caron, notary, professor in the Faculty of Law of the
University of Montreal, acted as secretary.

On January 21, 1965, the Chairman of the Commission received from
the Representation Commissioner the return of the Dominion Statistician
showing the population of Canada and of each of the provinces and the
population of Canada by electoral districts as ascertained by the 1961
census.

The Representation Commissioner calculated the number of members
of the House of Commons to be assigned to each of the provinces and the
result of this calculation was seventy-four (74) members for the Province
of Quebec. This was published in the *Canada Gazette* of November 28,
1964.

Dividing the population of the Province by the number of members
of the House of Commons gives a quota of 71,070.

The Representation Commissioner, in accordance with section 8 (1)
of the *Representation Commissioner Act* (12 Elizabeth II, chapter 40),
supplied his maps and alternative proposals, which were very helpful to
the Commission but had to be varied.

The Commission has been engaged upon its duties since January 27,
1965, and has proceeded with all reasonable despatch.

The Commission prepared a map showing the proposed division of
the Province into electoral districts and indicating the representation and
name to be given to each district, with a schedule setting forth the pro-
posed boundaries of each such district. This was published in the *Canada
Gazette* of May 15, 1965 and in newspapers throughout the Province,
giving notice of the times and places fixed for the hearing of representations
from interested persons.

Within the legal delays, the Commission received written representa-
tions of which 152 were heard at public sittings held at Quebec June 21,
Chicoutimi June 28, Rimouski July 5 and 6, Sherbrooke July 13 and 14,
Trois-Rivières July 20, Hull August 17, Amos August 24 and Montreal
August 30 and 31 and September 1st.

After giving due consideration to those representations and in the
light of section 13 of the *Electoral Boundaries Readjustment Act*, the
Commission has prepared its recommendations concerning the division of
the Province of Quebec into seventy-four (74) electoral districts, and the
description, representation and name of each district, as shown in Schedule
A which forms part of this report, and is completed by Schedules B and C.
